

# Performance Improvement HR Business Partnering Workshop

9 – 10 November 2016 or  
8 – 9 February 2017

Identify gaps. Change performance.  
Measure improvement...

**DELIVER RESULTS.**

[www.improvid.co.za](http://www.improvid.co.za)

**Bespoke Performance**

**Are you adding value to the business?**

**Are you relevant or is your role becoming irrelevant?**

**Book today and learn the only value-add and results-driven approach of HR Business Partnering**

- Learn how to add value and drive performance
- Focus on results and learn a new blueprint of the new HR business partner
- Re-gain credibility by making strategy real and improve performance
- Sustain business performance by measuring the right things
- Innovate your role to stay in touch with a changing world of work

This workshop, facilitated by Belia Nel, a Certified Performance Technologist will show you how to close the gap between strategy and operations using performance improvement tools and practices.

**Date: 9 – 10 November 2016 or 8 – 9 February 2017**

**Time: 08:30 – 16:30**

**Venue: 54 on Bath, Rosebank**

**Investment: R5 800 per person (incl. VAT)**

### **Key takeaways - Learn how to:**

- Be a **game changer** – be ready for rapid change in response to industry and technological disruption
- Apply innovative best practice for HRBP and move from “service impact” to “high impact”
- Re-engineer a **new change and culture** architect plan to operationalise strategy
- Acquire tools and **step-by-step process** you can implement **immediately**
- Implement a **step-by-step actionable** business partnering consulting process
- Compare your competence against **local and international standards**

### **Who should attend?**

- HR business partners
- HR managers
- Learning and development managers
- HR practitioners
- HR Officers
- OD practitioners
- Project consultants
- Facilitators and trainers
- Anyone who wants to build a skill set in HRBP consulting

### **Value of attending:**

Learn how you can become part of the **international elite** by becoming a Certified Performance Technologist
